

Leveraging Powerful Collaboration with Investors

for Future Opportunities through the 9th Pertamina Investor Day

Pertamina has a strong commitment to maintaining its accountability and building engagement with investors and partners. In order to improve its engagement with Pertamina's investors and partners community, Pertamina has always provided them with comprehensive information through its Investor Relation unit which has expanded in a collaborative channel called Pertamina Investor Day with the following objectives:

The Objectives

Presenting achievements and how the company tackle challenges in the past

Updating current situation including corporate position and external support

Providing corporate's grand strategy promising upcoming projects

"We appreciate all investors and partners for showing interest to explore with all capacity and capital to collaborate with Pertamina."

Emma Sri Martini
 Director of Finance
 PT Pertamina (Persero)

"Partnership and collaboration with investors & partners are very important to us. Through this event, investors can see that Pertamina's commitment is not only in the oil and gas sector but also in the renewable energy aspect."

Salyadi D. Saputra
 Director of Strategy, Portfolio and
 New Ventures PT Pertamina (Persero)

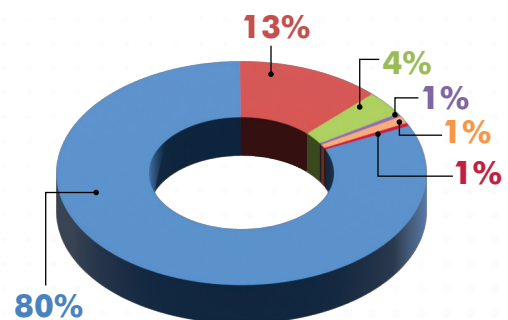

Pertamina Investor Day 2023 is an event hosted by Pertamina that aims to provide investors with the company's insightful information. Started in 2013, this is the 9th time Pertamina Investor Day is being held. This year, for the first time after the pandemic, Pertamina Investor Day is conducted onsite in Pertamina's office for two days on 3-4 July 2023 with a more comprehensive concept including: Earnings Calls, Business Meetings and Project Teaser Updates, Small Group Investor Meetings, Engagement Dinner, and Site Visit to Pertamina Group Project/Operation Unit.

Furthermore, this event not only serves as a means for PT Pertamina (Persero) to communicate with the market, but it also allows investors and business partners to interact with Sub Holdings and Pertamina Subsidiaries.

There were 199 investors/partners participants from inside and outside Indonesia attending this event both online and onsite.

INVESTOR / PARTNER COUNTRIES

Pertamina Investor Day Agenda

Earnings Call

In this session, Pertamina explained regarding company's performance in FY 2022, Sustainability Updates and Business Strategy 2023.

Speakers:

Director of Finance PT Pertamina (Persero)

Director of Strategy, Portfolio and New Ventures PT Pertamina (Persero)

Moderator : VP Investor Relations PT Pertamina (Persero)

Project Expo

- **Business Matching:** Direct presentation to potential partners of 8 projects. The implementation is supported by Investment Banks, including DBS (Lead Coordinator), Citi, and Mandiri Sekuritas.
- **Research Matching:** Presentation of 2 research projects to potential partners in collaboration with the Research Technology & Innovation (RTI) Function.
- **Project Catalog:** Publication of 26 projects to investors/partners that can be developed in the future.

Mini Booth

At this event, 12 Subholdings and Subsidiaries participated in the showcase. With a simple and compact mini booth / exhibition format, investors and business partners can see Pertamina's entity profile directly, interact, and ask questions to the officers on site.

Engagement Dinner

Pertamina hosted a dinner with investors and business partners, which is attended by Director of Finance and Director of Strategy, Portfolio and New Ventures PT Pertamina (Persero). A total of 60 people attended and interacted with one another. On this occasion, Pertamina introduced West Javanese culture, specifically the Angklung musical instrument.

Small Group Discussion

Pertamina hosts this session to allow investors and business partners to speak directly with representatives of Sub Holdings and Subsidiaries. There are 8 sessions, and hundreds of people attended each of the sessions.

Site Visit

Investor Site Visit to the RU IV Cilacap and Kamojang Geothermal Area operational site. During the visit there are explanations about the project.

Participant Feedback & Testimony

"I really enjoy the event. its all very well prepared and we get the comprehensive information,"

Lee Chin Hwoi

Executive Director, Loan Financing Group,
Group Investment Banking UOB

"This is the first time I attend Pertamina Investor Day, and I am quite surprised and excited to be here. My impression of this event is that it provides a great opportunity for us to meet Pertamina's leaders and colleagues to share interest and opportunities for partnerships."

Bayong C. Wibowo

Technical Commercial Advisor, SINOPEC.

Overall, Pertamina Investor Day was deemed to be beneficial, insightful, and interesting by participants, and they also expressed an interest to attend if it were held again.
